

Certificate of Analysis

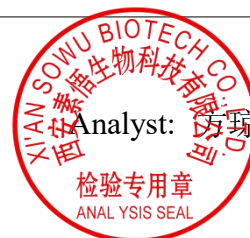

Product name	Adamax	Manufacture date	May.14.2026
Batch number	SW260514	Analysis date	May.15.2026
Batch quantity	10Kg	Expiry date	May.14.2028

Item	Specification	Result
Identification	Matches Adamax Standard	Pass
Active Ingredient Content	10 mg/ml $\pm 2\%$	10.3 mg/ml
Purity	$\geq 98.0\%$	99.2%
Impurities	$\leq 2.0\%$	0.8%
Heavy Metals	≤ 10 ppm	Pass
Microbial Content	Absent	Absent
Appearance	Lyophilized white powder	Conforms
pH of application	6.0-8.0	7.2 (determined)
Solvent Residue	≤ 50 ppm	30 ppm

Packing description:	Sealed export grade drum & double of sealed plastic bag
Storage:	Store in cool & dry place. keep away from strong light and heat
Shelf life:	2 years when properly stored
